Las Vegas / Casino Theme Entertainments:

Casino Tables

All of our tables are full sized professional tables and come complete with all gaming equipment, experienced croupiers in black tie and fun money to be given to the guests.

I would suggest a prize be provided for the person that collects the most money during the evening and the winner can be announced by the DJ

Playing time for the casino tables would be for a maximum of 3 hours up until Midnight and so we would recommend opening the tables after dinner from either 8pm until 11pm or 9pm until midnight.

Choice of tables are as follows: Black Jack, Roulette, Poker, Craps & Wheel of fortune, although Black Jack and Roulette are the most popular.

Costs from: 2 tables: £ 525.00 and then £ 200.00 per table thereafter – all plus Vat
